Taking a smart move will take your career a quantum leap
OUR VISION

- To be model teacher’s education institute for pupil-teachers success beyond predicted expectations.
- To transfer the dreams and aspirations of the pupil-teachers to reality.
- To promote and maintain academic & personal excellence.
- To convert all our institution into centers of Excellence, comparable to the best in the country, to impart quality professional education at par with global standards.
- The vision of the college is to imbibe the students with right ideologies, ideals and values.
- To achieve educational excellence through effective decision making, critical thinking and hard work.
- To render selfless service to the community and to facilitate learning through appropriate techniques and methodologies.
- To provide a plethora of activities for all round development of youthful energies.
- To develop in student the skills and competencies necessary to play the multifaceted role of the teacher in the new millennium.
- Our college intends to mould the prospective teachers with far sighted vision to face the challenges of the society, rooted in ethical values, living up to the cause of promoting social justice, liberty and fraternity by developing a holistic personality.

GOALS & OBJECTIVES

GOALS

- To uplift standard of education
- To provide education to door step
- To guide and direct youth towards noble profession of teaching
- To inculcate feeling of national integration
- To inculcate values through various activities

OBJECTIVES

- To develop intellectual level of students by helping them to acquire information, knowledge and wisdom.
- To promote social values among the students and develop a sense of responsibility towards community as a whole.
- To enable the students to make use of their theoretical and practical knowledge so that they can cooperate with others and can plan, execute and evaluate teaching & learning.
- To bring out efficient, enthusiastic and excellent teaching community.
- To develop interpersonal & communication skills.
- To adopt teaching profession as a means of social service along with education.
- To understand the nature of individual differences among children.

OUR MISSION

- Development of global vision in future teachers to face new challenges.
- Inculcating ethical base and spiritual consciousness rooted in Indian culture.
- To develop skill, dedication commitment orientation humanity, morality, ethics and qualitative education for individuals.
- Generation, preservation and transmission of knowledge.
- Building core competencies and adaptability among prospective teachers.
- Disseminating skills for lifelong learning and information processing.
- Developing creative and critical thinking in prospective teachers.
- Keeping pace with information and communication technology.
FROM THE DESK OF CHAIRMAN

“The greatest gifts you can give your children are the roots of responsibility and the wings of independence.”

Dhan Singh Bhadana
Chairman

As Schopenhauer said, “Every man takes the limits of his own field of vision, for the limits of the world.”

Aravali College of Advanced Studies in Education has been envisioned to be an institute promoting academic & professional excellence, nurturing and sustaining conducive ambience for sculpting budding talents and inculcating professional ethics, cultural values, sensibility and sense of service towards society.

The mission of the institute is to provide a unique learning experience to enable students to realize their innate potential and to ensure their all round personality development. The institution is transparent in teaching methodology, systems, procedures and courses details. The management believes in continuous modification process of teaching methods at every stage so that students build up their careers which their families/teachers would be proud of.

Our limit is not the sky. It would be our endeavour to provide the best that can be offered, in staff and other facilities but above all it is a project of our charms and no stone shall be left unturned to accomplish the milestones set for it.

I invite you to share our vision and to join hands with us to consolidate the success and accelerate growth in future.

FROM THE DESK OF PRINCIPAL

“We believe that a mere infrastructural growth is purely cosmetic. The soul, too has to be enriched. We believe that the mind & soul must revel, for life is a celebration.”

Dr. Manorama Mathur
Principal

The educational system often poses a number of challenges before the teachers. No teacher can survive in this dynamic profession, without equipping himself with a variety of skills and qualifications that improve his knowledge, ability and quality. The concept of creative learning is a vital part of the modern educational system. Allowing new ideas and innovative thinking requires a more dynamic learning process. Therefore, it is essential that the students be allowed to learn newer vistas of learning. It is our endeavor at Aravali College of Advanced Studies in Education to provide a dynamic learning process to train, equip and mould the teacher trainees to cater to the expectations of the modern society. We, at Aravali, continuously strive to provide the conducive environment to bring out the best in our students.

The college has been accredited by National Assessment and Accreditation Council (NAAC) with ‘B’ grade. I am glad to have a dedicated team of faculty to achieve the aims and objectives of the college. College is dedicated to impart the value education to their preservice teachers and teacher educators by organizing different types of cultural, social, moral and aesthetic activities which develop the ‘we’ feeling in students.

With the above assertion in mind, I welcome you all to this college where you will feel at home and learn a lot in the field of education. I extend my best wishes to the students who are ready to take challenging tasks in their professional career as teachers and teacher educators.
FROM THE DESK OF VICE PRINCIPAL

Dr. Vandana Sharma
Vice Principal

"The way to success lies within you, we are just the guiding lights"

It gives me immense pleasure to say that the college has been accredited by National Assessment and Accreditation Council (NAAC) with ‘B’ grade. It was possible due to the untiring efforts, positive attitude and sheer dedication of the Principal (Dr. Manorama Mathur), NAAC Coordinator (Ms. Chinar Malik), all faculty members and the supporting staff. I express my special gratitude to the members of Aravali Eduworld as well. We at Aravali, aim to provide quality education with world class infrastructure facilities. It is not just the ‘head’ (mind) which is trained here, but the ‘hand’ (skill) and ‘heart’ (feelings) are also given due importance. With our dedicated team members, we settle for nothing but the best. Training and placement services are provided to all students. Corrective measures are adopted for the weaker students. No stone is left unturned to ensure that students, who come here, go out with flying colours.

INFORMATION ABOUT US

Aravali College of Advanced Studies in Education
The college was established in 2006. At that time the institution offered only B.Ed course. A year later, from the session 2007-2008, M.Ed. was also offered. The college with its two courses B.Ed and M.Ed being offered is running smoothly and successfully. It is dedicated to the nation to prepare professionally qualified teachers. Our motto is to provide learner centered and holistic approach for complete personality development and acquisition of professional skills so that they become able and effective teachers of the country.

Aravali College of Engineering and Management
Aravali College of Engineering and Management was established with a vision to become one of the nation’s finest institutions in the field of technical education and research through focused, effective and sustained programmes and resources. The main aim of the institute is to provide excellent quality technical education not only to the students from the Delhi/NCR region but also from all over the world. The College offers B.Tech (Four year program) and Master of Business Administration (M.B.A.). It is affiliated to M.D. University, Rohtak and approved by AICTE.

Aravali International School Faridabad
Established in the year 2004, Aravali International School is located in the lush green campus of 13.5 acres, ergonomically constructed with a unique architectural design for developing the potential of each child. The Chairman of the school, Mr. Dhan Singh Bhadana’s vision of establishing an educational institution that goes far beyond the regular academic and cultural aspect, took shape in the form of Aravali International School.

At Aravali International School, children grow and develop in a reassuring world under the able guidance of the best teachers. “The dream begins with the teacher who believes in them, bugs or bugs and pushes and leads them into next plateau.”

Aravali International School, Greater Faridabad
Aravali School has come with two new branches in Sector 81 (Primary Wing) and Sector- 85 (Senior Wing), Greater Faridabad. At Aravali, our main intent is to make a difference to individual in particular and the society at large. We, thus, provide guidance to support by the latest infrastructure and regimens to all students. We are continuously honing latent and obvious talents in all the students and also ensuring that all our students are able to compete at the global level.
ABOUT US° fARAVALI°...

- The College was established in 2006. It is affiliated to M.D. University, Rohtak and is approved by NCTE, Jaipur. It is a NAAC accredited, 'B' grade college.
- The campus is located in the pleasing surroundings of Aravali Hills on Ballabgarh Sohna Road. It is well connected by road and public transport to Faridabad, Ballabgarh, Delhi, Gurgaon and Palwal.
- It has been preparing quality teachers and teacher educators since its inception. The University results over the years establish the record of academic excellence of the college.

PLACEMENTS

It is always a pride for the institution to see its students doing well in their professional and personal lives. A number of students have got good job opportunities in reputed Public schools. Many of them got offers from the schools where they did practice teaching.

A large number of our B.Ed students have got placements in reputed schools like MVN, JIVA, Vidya Mandir, Aravali International & Tagore Academy.

M.Ed students are also placed as teacher-educators in different teacher-training colleges of Faridabad, Delhi and in other cities of Haryana.
Social Corporate Responsibilities

According to UNO, approximately 75,000 girls are aborted every year in India. Also, the rate of infanticide of the girl child is maximum in North Western states of Punjab, Haryana and Rajasthan. At Aravali College of Advanced Studies in Education, we realise our responsibility to take up the cause of the female child. We have been fighting this social evil and initiating an all-out awareness campaign to promote gender equality and prevent both female foeticide and infanticide.

Another social activity, A visit to “Anadi SevaPrakalp” Village - Pali was organized by Aravali College of Advanced Studies in Education on 30th October, 2013. The programme was conducted by Chairman Balkishan Kaushik. Our principal Dr. Manorama Mathur shared their views and gave them sweets on the occasion of Diwali celebration. On this event all knew that how they reached to Anadi Seva Prakalp. Our students and faculty members shared their feelings. It was an emotional & wonderful experience for all of us!

ACHIEVEMENTS

Since the inception, teachers and teacher educators nurtured in the college have made a mark for themselves in the academic and professional fields and brought glory to the college.

- A total of 18 students have cleared NET.
- Many students have enrolled for Ph.D. in central universities.
- Students of B.Ed. and M.Ed. have been appointed in government jobs at TGT and PGT level.
  - In the session 2012-13, four students have cleared NET.
  - In the session 2013-14, students have participated and won prizes in inter-college festivals like ‘Anveshan’ and ‘Sanskar’.
